## Bride To Be February – April 2008

### feel the vibration

If wedding-day planning is eating into your workout time, check out Power Plate and tone up faster and smarter. The accelerated training works with a vibrating plate that sends vibrations through the body, activating multiple muscle groups simultaneously. It's the equivalent of a full gym workout in a fraction of the time. See [powerplate.com.au](http://powerplate.com.au)

WELLBEING
